

March 4, 2013

Press Release:

The City of Ontario will be conducting their annual Winter Storm Debris Pick-up during April 15th through the 19th.

Only pick up branches which fell from trees during winter storms will be picked up - not limbs from pruning, leaves or other yard waste. Limbs must be no bigger than 6" in diameter and 8' in length. Only one pass down each street will be made, so residents are asked to please place their debris at the curb ***prior to April 15th***.

Roger Heston

Service Safety Director
