New House Process and Fees

City of Ontario

1. Start communication process with acting authority.
Zoning issues: Zoning Inspector 419-529-2530
Technical issues: Service-Safety Director 419-529-2495
Building permits: Richland County Building Department 419-774-5517
2. Fill out Zoning Permit
3. Refer to City Code 1141.01 for setback requirements listed below.
4. Prepare a Final Site Plan to be submitted with your Zoning Permit. This Final Site Plan may be prepared by a professional, architect or it may be submitted by yourself on graph paper, plain paper or a Google Earth Image.
 - The drawing must be accurate and to scale.
 - Please show any current structure, fire hydrants and easements already on the property.
 - Show where the storm water will go from the roof top.
 - All setbacks must be shown front, side, side, rear and they must be clearly identified.
 - All dimensions of the property must be shown (front, side, side, rear) and clearly indicated
 - Front setback measured from the right-of-way line not the edge of the road. If you are not sure what the right-of-way distance is please call the Zoning Inspector for assistance.
 - Show any easements located on the property. All setbacks must be measured from the closest edge of the easement to what you are building.
4. Indicate on Site Plan where the driveway will be in reference to the home being built.
5. Indicate on Site Plan what driveway will be made of (concrete or asphalt).
6. Indicate depth of driveway at both right-of-way and between right-of-way line and home.
7. Fill out Driveway Permit paperwork and bring with you for Final Site Plan submission.
 - You may have a temporary driveway while construction is going on. However, you must have your permanent driveway installed within 60 days of the completion of construction. If this is not possible due to weather conditions, the driveway permit will need to be renewed every month until the permanent driveway is installed.
8. Call Connie Gleisinger and make appointment to pay tap fees. (water and sanitary)
 - Tap fees must be paid before Zoning Permit can be issued.
9. Make appointment with Zoning Inspector to review Site Plan and Zoning Permit paperwork.

10. Once Zoning Permit is issued proceed to the Richland County Building Department for building. Plumbing, electrical etc. permits.

11. Once marking stakes are installed for home call the Zoning Inspector so he may measure setbacks to make sure they are accurate based on the site plan submitted.

- Property lines, and easement lines must also be clearly marked for measuring purposes.

Total time for permit process will take approximately thirty (30) to forty (40) minutes when an appointment is made. This will allow time to review Site Plan, Zoning Permit paperwork and Driveway Permit paperwork. If the Site Plan or any of the permits are incomplete you will be advised of what needs to be added and then we will set up another appointment.
