

Ontario CIC

Date: Monday, January 26, 2026

Meeting cancelled due to inclement weather.

The Executive Team met with both RFME and Rinehart Walters Danner to discuss both of their quotes.

The team made the recommendation to the board that we accept and move forward with the RFME quote. Due to a desire to get coverage in place as soon as possible, the determination was made to have an email vote of the board.

Beth Delaney made the motion, and Nick Turnbaugh seconded, and it unanimously passed with only Tony Grimwood and Casey Bly not casting a vote.
